Lessons from Surah

- Neither there is a partner of Allah nor he has any relations.
- There is no partner of Allah in his Qualities (Like no one knows the unknown)
- There is no partner of Allah in his Rights (Worshipping Allah alone)
- There is no partner of Allah in his Powers, (All the laws should be from Allah)
- We should not only propagate this but also correct the wrongs.
- We are required to plan for these.

Story of a companion of Prophet SAS

- he used to recite Surah Ikhlaas in every rakah of Salah
- When he was asked why he does so, he said because I love this Surah.
- Prophet SAS said, "Your love for it will admit you to Jannah."

Recite it with Love

Example: Your relative!...

- Allah is my creator, provider, whom I love, and He is my Mohsin!!
Why not I remember him continuously?
- And there is no one like my Rabb, and there will not be.
- Feel the greatness and love of Allah, when you recite this Surah
- Plan to propagate the oneness of Allah

Learning Tip

Earlier Tips

1. Brain has huge **Capacity**, largely unused
2. Create as many **Flashes** as possible
3. Take a **Deep Breath**
4. **95% Retention** if we read, write, say, see, and do
5. Think **Big** and **Colorful**
6. Learn with Love and Enthusiasm

Tip No. 8: Repetition

- ❑ Whatever you Learn ... you Forget!
Therefore, you need to Revise.
- ❑ **REVISION** is a Must!
- ❑ But the 'System of Revision' is more important.

If you learn 100 things ...

**you forget
70% after
an **Hour!****

If you Revise after an **Hour**, then you get them back,
AND IT STAYS LONGER (FOR 1 DAY).

But by the end of next **DAY**...

**you forget
70% again
after one
DAY!**

If you Revise after 1 **DAY**, then you get them back,
AND IT STAYS LONGER (FOR 1 WEEK).

But by the end of the **WEEK**...

**you forget
70% again
after one
WEEK!**

... and so on ...

- ❑ If you revise after 1 Week,
you remember till 1 MONTH
- ❑ If you revise after 1 MONTH,
you remember till 6 MONTHS
- ❑ ...

Therefore, to ensure that you don't forget,
you should do...

- ❑ 1st Revision: After one Hour
- ❑ 2nd Revision: After one Day
- ❑ 3rd Revision: After one Week
- ❑ 4th Revision: After one Month
- ❑ 5th Revision: After one Semester
(6 months)

To implement this, for learning Qur'an

We have introduced 7 + 2 Homeworks!!

All of them are absolutely simple, practical,

3 Important Things are specifically mentioned

وَمِنْ شَرِّ غَاسِقٍ
وَمِنْ شَرِّ نَفَّاثَاتِ
وَمِنْ شَرِّ حَاسِدٍ

One common thing in the 3???

We won't know if harm is on our way:

- **in Darkness** غَاسِقٍ
- **by Magicians** نَفَّاثَات
- **by Jealous** حَاسِدٍ

Only Allah can give protection.

TPI instructions ...

There was a time when Muslims used to give knowledge, art, technology, to the world. Now it is the opposite, because we left the Qur'an. Remember "to give."

- When you say فَاعِل (doer), show it with your right hand as if you are giving, i.e., doing something.
- When you say مَفْعُول (the one who is affected), show it with your right hand as if you are receiving something, i.e., affected by the help.
- While saying فَعَلَ (to do), show it with your right hand by making a fist raised high as if you are showing the power of action.

Do it with TPI

فَاعِل the one who does, doer

مَفْعُول the one who is affected

فِعْل to do, act of doing

An-Naas ... at the end of Qur'an?

- Even if you have knowledge, you have to **continuously fight** the whispering of **Shaitaan UNTIL DEATH.**
- Not stupid! Could even whisper to Adam A.S. to eat the fruit
- Very experienced (from the time of Adam A.S.); has misled perhaps billions of people.

How to fight Shaitaan?

- You cannot kill Shaitaan
- You cannot hit him
- You can't even see him
- You can't convince him either

- The only COMPLETE and PERFECT solution is:
Take refuge in Allah thru' His Zikr

Background of Revelation

- The disbelievers of Makkah had made many offers to Prophet Mohammed pbuh, including wealth, women and kingdom to stop him from spreading his message.
- When they failed, they came up with an offer of compromise.
- This Surah is a response to this offer, saying: NO!

Virtues of this Surah

- Prophet Mohamed pbuh used to recite Surah Al Kafiroom and Surah Al Ikhlaas in the Sunnah prayers of both Fajr and Maghrib.
- Prophet Mohammed pbuh has advised some of his companions to recite it before going to sleep. He has told that this will protect them from Shirk (Polytheism).

- Some Muslims think that all people know what Islam is! Through Media, Internet, ...
- Look at Muslims themselves.
90% or more don't know what is in the Qur'an. And they expect others to know what Islam is?
- This is really arrogance and forgetting one's own job. Look at how many times the Prophet pbuh conveyed the Message to Quraish in Makkah.. for 13 years!!!
How many years have we done? ... 13 hours so far?

O You

Problem of Kafirs: Ego

قُلْ يَا أَيُّهَا الْكَافِرُونَ !

Main problem with Kafirs? They followed their Nafs, Egos, income, positions, institutions, traditions etc.

They refused to follow the truth, in spite of knowing it.

Let people know the dangers of following egos and traditions. Follow Qur'an/Sunnah

O Allah! Let us not reject or neglect the truth because of our egos and positions.

Do Istighfar.
Ponder on the Greatness of Allah and our position in front of Him.

How many times did we behave like that?
How is our interaction when somebody tells us the truth.

No compromise in faith matters.

Practice with Imagination; Feelings & prayer

دِينُكُمْ

your religion

لَكُمْ

To you (be)

(6) دِينِ

my religion."

وَلِيَّ

and to me

In this Surah, we learnt that we should worship Allah alone and should never make any compromise when it comes to Deen.

We do this, not because of arrogance,
but because of our fear of Allah's punishment.

قَالَ : « لَا يَزَالُ لِسَانُكَ رَطْبًا مِنْ ذِكْرِ اللَّهِ »
