- "He whose last words are: `La ilaha illallah' (There is no true god except Allah) will enter Jannah." [Abu Dawud].
- "Exhort your dying men to recite: `La ilaha illallah' (There is no true god except Allah)." [Muslim].

Real Stories

- An emergency doctor in an Arab Muslim country saw more than 10 dying in front of him (in his career).
Only 1 or 2 recited Kalimah.
- A girl (accident victim) when asked to say 'Lailaha illallah' did not respond.
But after a while started singing with a low voice and then died.

Learning Tip

Create the Environment for Learning

- Poster (in the office / home)
- Vocabulary Card in the pocket
- mp3 recording in your audio player
- Video / mp3 recording in your computer
- Study book on your desk
- White/black board (to write verses) in your house.
- Friends / partners / family members to team up with to remind and continue. Least effective is family team (except in rare cases!)

Vocabulary Card

Carrying the Vocab. Card + Referring to it 5 times a day (preferably before or after the 5 obligatory prayers) will make your learning faster by 300% or more.

Carrying it is relatively easy.

But remembering to refer to it,

is MUCH MORE 'DIFFICULT'!

How To Learn a Foreign Language

by Graham E. Fuller

"Useful and
Entertaining"
The New
York Times

It's astonishing that no one has ever thought of a book like this before—designed to prepare students for beginning the study of any language. This book is indispensable to anyone learning a first foreign language.

Dr. L. Michael Bell
Professor of English and Foreign Languages
University of Colorado

"Home-made Word Cards are an excellent technique for memorizing vocabulary."

An acknowledged expert in languages, Graham E. Fuller has studied sixteen of them including French, German, Persian, Japanese, Turkish, Chinese, Arabic, Greek, Russian, and even Esperanto. As both a language student and teacher, he's well aware of the problems that beginners face.

During his career with the Foreign Service, Graham and his family spent more than seventeen years overseas—in Europe, the Middle East, and the Far East. So he's especially sensitive to the practical aspects of using a foreign language in everyday life.

Now a senior policy analyst with one of this country's leading think-tanks, Graham divides his time between California and Washington D.C. In his spare time he likes to cook, build furniture—and learn languages.

Be ready for the next lesson!

Don't give up!

Doesn't Allah listen to everyone? Of course!

- Here it means a special attention for the one who praises Him.
- He does not need our Hamd!
It does not benefit Him at all.
- It is purely for our own benefit.
We develop gratitude and we get rewards!!

Success

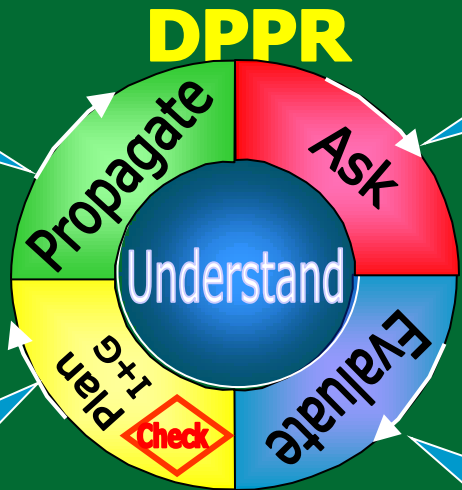

➤ Positive Attitude!!!

Bringing **Subhanallah** in our life! (in addition to the 'Shirk' aspect)

Propagate the message that Allah is free from any defects or deficiencies.

O Allah! Help me accept whatever is beyond my control (as a test for me).

Focus on the fact that whatever Allah does is perfect. The conditions are a test and some of them may be due to human errors.

How many times did I complain about my color, features, family, weather, prevailing situation around me, etc.

Learning Tip

The Gift of Hearing

- In the Qur'an, creation of hearing is mentioned first.
- You can find many blind scholars but not a single deaf one; because he does not know what sound represents!

At the time of Death

- Example: Death of the girl
- If you have a habit of listening songs, you may do the same while dying
- The death of Shaikh Abdulkareem Parekh:
He recited the last of Surah Al-Hashr before dying.
- Keep listening to Qur'an ...

At the time of Death

- With our ears we keep listening day-in and day-out
- If one does not listen to good things, the environment will make you listen filth
- Your CPU will keep processing it

Use the morning, or else ...

حَتَّىٰ إِذَا مَا جَاؤُوهَا شَهِدَ عَلَيْهِمْ سَمْعُهُمْ وَأَبْصَارُهُمْ وَجُلُودُهُم بِمَا كَانُوا يَعْمَلُونَ

Their ears, eyes and skin (i.e. other body parts) will stand against them, giving witness for their deeds *(Surah 41Fussilat: Ayat 20)*

وَقَالُوا لَوْ كُنَّا نَسْمَعُ أَوْ نَعْقِلُ مَا كُنَّا فِي أَصْحَابِ السَّعِيرِ

And they will say that if we had listened to and understood, then we would not have been amongst the people of Hellfire *(Surah*

67 Mulk: Ayat 10)
