Application for Membership

1 May 2023

The Executive Committee is required to consider applications for membership for the Islamic Society of ACT. As part of that consideration the Executive Committee will now require that any new membership be verified in person and will deny any application that has not been verified in person.

To facilitate verification, application forms must be submitted in person to the Membership Officer (or his delegate). Applicants may appoint a family member to represent a whole family as long as the representative has photo identification and is either the husband, wife, parent or child of the applicants. The Membership Officer will be available at the Canberra Mosque after Friday prayers and every evening at Maghrib and Isha. Sisters who do not have a male family member please contact the Membership Officer to make alternative arrangements.

The membership fee is \$10 (\$5 pensioners and full-time students). Payment can be made in person at the same time as verification or via direct deposit to the following account:

Account Name: Islamic Society of ACT Incorporated
Bank: Commonwealth Bank
BSB: 062 913
A/C No: 1118 2377

Use your name as a reference and send an email to the Membership Officer

To request a membership form or for any other membership related enquiries please contact the Membership Officer.

Hasan Shafi
